

Appraisal Fair and Silent /Mystery Auction

On December 4, 2021 SOV will be having our **Annual Appraisal Fair and Silent/Mystery Auction**. Appraisal from 9:30am to 11:00am, dust off what you have packed away and bring your, knick-knacks, antique furniture, etc. to be evaluated by appraisers from Bruneau & Co. Auctioneers. Get some feedback and a sense of what your item's are worth. Cost is \$10 for one item, \$20 up to three... a real bargain for your item that may be worth hundreds!

This year we will be including a silent auction with items displayed starting November 21 in the fellowship hall. The items for the silent auction will also be posted on our website. Early bidding on silent auction items will be available Sunday mornings of Nov. 21, & 28 and on auction day Dec. 4. These items are not wrapped and will be completely visible with a value to the donation. Start thinking of how you can donate, maybe you have a cabin that people could have for a weekend or you have a boat that you could take people out for an afternoon with a snack provided, do you have tickets of sports team or have restaurant gift card. Be as creative as you want.

Live auction to start at 11:00am! This will showcase creatively wrapped packages (wrapping may or may not reflect the item inside) that you will bid on. Join the excitement and see what is inside.

This day is a fundraiser for our church, so come and support it, both with your donations and your presence.
